

JOBS LLC (Life Learning Concepts)

"Jobs LLC" workshops are presented by the Fond du Lac County Department of Social Services (a Job & Career Center partner agency) and the University of Wisconsin-Extension. The classes are held at the Job & Career Center, 349 N. Peters Avenue, Fond du Lac. These classes offer individuals practical information on dealing with the daily strains of working and raising a family. The job and life skills taught in these workshops will serve as a life-long resource for participants.

The following workshops will be offered in **December 2004**. To register call Michelle Mailand, Job & Career Center at 929-3941 or Sue Siegesmund, UW-Extension Office at 929-3174. You can also fill out the attached registration form. Monthly schedules are available this web site: www.uwex.edu/ces/cty/fonddulac/flp/educationemploy.html

Wednesday, December 1 - 8:30 to 10:30 a.m. A Winning Attitude

A positive attitude is one of the single most important qualities that employers look for. Learn how to work towards a more positive attitude and leave behind the negative.

Thursday, December 2 - 9:00 to 11:00 a.m. Money For Food

Many families report that they frequently, or occasionally, run out of food or eat less than they should because of lack of resources. Participants will learn strategies to be better able to purchase adequate, nutritious food and make it last throughout the month.

Wednesday, December 8 – 8:30 to 10:30 a.m. Positive Parenting: Setting Limits

Setting limits tells a child, "I care about you. I want you to be safe, I want you to be able to get along happily with others." Limits are like a guard rail on a bridge; they give the child security.

Wednesday, December 8 - 1:00 to 3:00 p.m. State Employment: An Opportunity for Everyone Learn how to find out about, and apply, for state jobs.

Wednesday, December 15 – 8:30 to 10:30 a.m. Positive Parenting: Challenging Behaviors

This class will offer strategies parents can use to help their challenging children learn more about boundaries, self-discipline, and appropriate ways to handle their emotions.

Request for reasonable accommodations for disabilities or limitations should be made prior to the date of the program or activity for which it is needed. Please do so as early as possible prior to the program or activity so that proper arrangements can be made. Requests are kept confidential.
